Preludium:06

Preludium:06 - Fresh Swedish Smoke is a limited edition of young, Swedish malt whisky with a gentle hint of bourbon cask and fresh, Swedish smokiness. Preludium:06 was composed by Distillery Visitor Manager Barbro Hyllengren, who has been with us since the very beginning.

The colour is a light citrus yellow. The nose is very fruity, with aromas of lemon, pear, banana and honey, with gentle hints of caramel, roast oak and pepper. It has a very distinctive smoky character with undertones of juniper. The flavour is fresh, fruity and smoky, with intense vanilla and caramel. The aftertaste brings sweetness, roast oak cask, smoke and a touch of salt.

The content of Preludium:06 is a blend of our smoky and elegant recipe, stored for four years in old bourbon casks of first-fill quality. The casks have matured in our warehouses on Fjäderholmarna and in the Bodås mine.

This base flavour is then augmented with whisky that has been stored in new, 100-litre American oak casks and bourbon casks, as well as some selected casks from our previous pilot production.

For optimal flavour, the alcohol strength has been adjusted to 50.5% using distillery water from the Valbo Ridge.
