**Yes**

Så har Fætter MUS leveret varen....(Puhaaa....) og nu er den tom...øv. :)

Remark :

Let røget ....Søger man en whisky der er sin egen, er denne et godt bud. ([Lagavulin](#) er dog mere røget.)Total [Score](#) :

The Six Classic Malts of Scotland is carefully selected to best represent each of the main whisky producing regions of Scotland. They embrace the full diversity of regional tastes and styles. Appropriately the Classic Malts symbol is the Quaich, which for centuries has been the traditional Scottish drinking bowl reserved for toasting the finest single malt whiskies.
